

CERTIFICATION OF COMPLETION

Creativity Hour: Creative At-Home Learning

Original Web Event Date: Tuesday, March 24, 2020 9:00 AM (ET)

This web event presented parents and educators with easy at-home creative learning inspiration! Participants learned ways to create and explore the power of creativity to boost their child's social-emotional learning and literacy skills through our Hand Drawn Selfie activity, in English and Spanish, plus spark creative conversations around children's artwork!

creatED is Crayola's new educational solution for students, educators and families. creatED provides professional development, a dynamic repository of lesson plans and teaching and learning resources, a growing product lineup of Create-to-Learn® activity kits and free online Creative Learning Platform.
