

# Making Local-Global Connections

## Creativity Connects the World

**CONNECT** your favorite activities with similar experiences you believe others around the world might have. What are your favorite things to do and why do you enjoy these experiences?

---

---

**CREATE** sketch of yourself doing a favorite activity.

SKETCH HERE.

**PRESENT** your sketch and discuss the ways others around the world might do this or a similar activity. Use your imagination and investigation skills to learn more about foods, homes, schools, and play in other countries.

---

---

**RESPOND** to what you learned about other cultures and countries. What is similar about the way people live, what we eat, and how children play in many places around the world? Sketch pictures that show experiences that are similar and different around the world.

**SIMILAR**

**DIFFERENT**
